Ground Floor Construction: City Manager reports this will be done by an outside contractor. City is currently consulting with architect David Amos for layout design.

Repairs to Orange Hall discussed at length with Bobby Marr and with City Manager. Immediate need for exterior lighting on building/grounds after dark, since Orange Hall sign was recently stolen and picket fence damaged by thieves.

Need repair of Broken glass window pane and significant water leak - on third floor left front room. Cookhouse will definitely need a security system to discourage vandals. For booking and financial policy - Leann Howard (912) 510-4041

Orange Hall expenditures: Mr. Horton provided City's financial expenditure records for Orange Hall for last five years. New Budget Year begins July 2024.
